

GST (6G9C) Antibody**Subcategory:** Mouse Monoclonal Antibody**Cat. No.:** 252624**Unit:** 0.1 mg**Description:**

GST (Glutathione S-transferase) is an enzyme that conjugates reduced glutathione to a wide number of exogenous and endogenous hydrophobic electrophiles. GST is a homotrimer that binds one molecule of glutathione. GST is also used as a fusion protein to express active recombinant proteins in expression system.

Isotype: Mouse IgG1**Applications:** WB**Species Reactivity:**

Format: Each vial contains 0.1 mg IgG in PBS pH7.4 with 0.03% sodium azide. Antibody was purified by Protein-G affinity chromatography.

Alternate Names: Glutathione S-transferase; GST; GST1**Accession No.:** P09211

Antigen: Purified fusion protein with GST protein tag expressed in E. coli.

Application Notes: WB: 1:500-1:2000

Storage: Store at 4°C for short term use only. Store at -20°C for storage over 1 month. Product is guaranteed 6 months from the date of shipment.

For research use only, not for diagnostic or therapeutic procedures.
